## THE GORDON HOSPITAL.

---

The Hospital was founded in 1884 to afford surgical aid to men, women and children suffering from any rectal disease, including rectal cancer.

A chief feature of the Hospital is to provide for sufferers whose means are unequal to the cost of private treatment, but are prepared to make a reasonable payment.

THE GORDON HOSPITAL

# REPORT OF THE COMMITTEE OF MANAGEMENT

OF

## THE GORDON HOSPITAL

*For the Year ended 31st December, 1928.*

THE Committee of Management have pleasure in submitting to the Governors and Subscribers their Forty-fifth Annual Report.

### WORK OF THE HOSPITAL.

The following statement shows the number of Patients treated during the last three years:—

	1926.	1927.	1928.
In-Patients ...	389	380	Hospital closed 386 Ten beds closed
Out-Patients ...	850	1,011	for In-patients 1,149 for nine months.
Attendances of			for six weeks.
Out-Patients...	3,992	4,802	6,598

It will be noticed that those using the Out-Patients Department are doing so in increasing numbers, thus fully justifying the recent re-building of this Department.

As regards In-Patients there is still a long Waiting List, but with the additional Wards now nearly completed, it is hoped that the length of time which Patients are kept waiting before admission will be considerably lessened.

### FINANCE.

The Income and Expenditure Accounts and Balance Sheet will be found on pages . The Ordinary Income was £8,497 9s. 2d., and the Extra-Ordinary Income £163 5s. 11d. The Ordinary Expenditure was £5,905 8s. 10d. The Balance in excess of Total Income over Total Expenditure for the year was £2,755 6s. 3d. This Balance has considerably assisted towards the new building scheme, but, as will be noticed at the end of this Report, there is a debt of some £4,000 still to be met. The Committee are grateful for the support of the Central Hospital Funds as follows:—

King Edward's Hospital Fund for London	...	...	...	£79
Metropolitan Hospital Sunday Fund	...	...	...	£60
Hospital Saturday Fund	...	...	...	£420

The Committee offer their most grateful thanks to the contributors of the following sums of £25 and over during the year:—

	£	s.	d.
Stock Exchange Dramatic & Operatic Society (Help Yourself Society)	...	...	...
Trustees of the late Alfred C. de Rothschild (per Barry Mason, Esq.)	...	...	...
Stock Exchange Mutual Subscription Fund	...	...	...
Rialto Theatre	...	...	...
Alexandra Day Fund	...	...	...
British Charities Association (Old English Garden Fete)	57	10	3
Deptford Broadway Picture Palladium...	57	0	0
Spitalfields Market Collecting Box (per W. Isaacs, Esq.)	43	1	11
J. Jolis, Esq.	31	5	0
National Sunday League	30	0	0

The Committee tender their thanks to all those who so kindly assist in the collection of Tinfoil. This brings in a considerable sum to the Hospital, and the interest and help of all collectors is much appreciated. To those assisting with Collecting Boxes grateful thanks are due—especially may we thank Mr. W. Isaacs and our friends at Spitalfields Market for their wonderful support.

Once again a magnificent result in connection with the Stock Exchange Dramatic & Operatic Society's "Help Yourself Society" is recorded. The amount collected by the Hospital exceeded the amount raised by any other individual Hospital or Charity. The Committee express their great gratitude to all who helped in this magnificent work, and are pleased to report that the new Out-Patient's Department, the building of which has been entirely paid for out of this year's proceeds, stands as a lasting testimony to their efforts.

The Committee thank all those who assisted at the British Charities Association Old English Garden Fete—Mrs. Reginald Corfield, Miss Corbett, Mrs. Hess, Mrs. White, Miss Phyllis Corfield, Miss Haddock, and other kind friends, together with members of the Hospital Staff, took part in selling from the Stalls. Special thanks are due to Mr. J. Watson, who rendered great assistance in helping with the various amusements.

Alexandra Day was again held in fine weather. Miss Corbett very kindly undertook her annual task of managing the Stall of roses outside the Hospital, and Mrs. John Josselyn organised the collection at the Army & Navy Stores assisted by a willing band of helpers. The Committee congratulate the organisers of this Fund on a record amount raised.

#### COMMITTEE OF MANAGEMENT.

The Committee deeply regret to report the death of one of their members, Lt.-Col. C. W. Richardson, who will be much missed. Colonel Richardson had taken great interest in the work of the Hospital, and in the past two or three years had given much help in the various Appeals.

The Committee are pleased to welcome Mr. W. A. Argent, who has kindly consented to join the Board of Management.

#### MEDICAL.

The Report of the Medical Committee will be found on Page 10. The Committee have to record with much regret the resignation of Mr. P. Maynard Heath, M.S., F.R.C.S., from the Hon. Surgical Staff, on account of illness. The Committee tender to Mr. Heath their very grateful thanks for all his work on behalf of the Hospital, and their hopes of his speedy recovery. The Committee thank the members of the Hon. Surgical and Hon. Medical Staff for their services so willingly given during the year.

#### NURSING.

The Committee again record their appreciation of the work and care of the Matron and her Staff. As in the previous year, much difficulty has been encountered owing to the re-building and alterations, but the

cheerfulness and willing spirit with which many obstacles have been met have enabled the work to be smoothly carried on. It is much regretted that Sister Wharton has had to resign, owing to ill-health. She will be much missed by the Staff and old Patients, and we hope she will soon be quite strong again.

The Hospital being recognised as a Training School for Nurses affords the junior members of the Nursing Staff greater facilities for increasing their interests and study in their profession. The Committee decided to join in the Pensions Scheme for Nurses which came into operation in the early part of the year. It is hoped that this may prove of great advantage to those availing themselves of this scheme.

#### LADIES' LINEN GUILD.

The Ladies' Linen Guild has been of the greatest help. The thanks of the Committee are due to Mrs. Farmer, Mrs. Hawken, Mrs. Jarman, Mrs. Ladley and Mrs. Whittingham, who have so constantly attended the Hospital Sewing Parties held during the year.

#### OLD PATIENTS' GUILD.

Early in the year it was felt that, owing to the development of the Hospital in all directions, the interests of the Guild could be best served by the appointment of a Committee to assist the Hon. Treasurer, who had for so long carried on the work single-handed.

In April, 1928, a number of old Patients met together and formed a Committee. It was decided that this Committee should meet regularly, and that subscriptions to the Guild should be under its control, to be used for the purchase of such items of equipment for the Hospital as might appear desirable and necessary. The Board of Management have to thank the Old Patients' Guild for the following gifts presented during the year :—

Oak Seats for the new Out-Patients' waiting-room.

Library Bookcase for the use of In-Patients.

Oak Dining Table and Bookcase for Nurses' Sitting Room.

The Board of Management understand that the Guild will, during the coming year, present a new Operating Table and Shadowless and "Emergency" Shadowless Theatre Lamps, and will undertake the furnishing of the Almoner's room—these gifts involving an expenditure of some £250.

The Board of Management desire to place on record their deep appreciation of the support given to the Hospital by the Old Patients, and offer their congratulations and thanks to the members for the wonderful way in which they have assisted the Hospital during the year.

## GENERAL.

The Committee are pleased to report that the extensions and alterations to the Hospital which had for some time past been under consideration, were commenced early in the year, and are well on the way to completion.

The new Out-Patients' Department which was ready for use towards the end of November, has proved of the greatest value and is much appreciated by both the Patients and Staff. The new Operating Theatre, Sterilizing Room, Surgeons' changing Room, and the New Wards will be ready for use in the early part of the new year. Three more bedrooms have been added for the Nursing Staff, also bathrooms for the Nursing and Domestic Staff. These additions, together with various constructional changes in the old building will, it is felt, be of the greatest value and enable the work to be carried on in a far more efficient and up-to-date manner. It is gratifying to be able to report that the entire cost of the New Out-Patients' Department will be met by moneys raised through the " Help Yourself Society " for 1928. The Committee will, however, be faced with a heavy loan account from the Bank of some £4,000, and it is hoped that this may be raised during the year.

Severe floods occurred in the early part of the year, when water rose to the height of some 3 feet in the basement. The Nursing Staff were able to rescue the greater portion of the stores, but considerable damage and discomfort was caused. Fortunately the water just escaped causing severe damage to the newly-erected Lift plant.

The Committee thank the Hon. Architect, Mr. Harold E. Church, for his work on the new buildings and alterations. They would place on record their deep appreciation of the services he has rendered to the Hospital. The Committee offer their grateful thanks to the Hon. Auditors, Messrs. Deloitte, Plender & Griffiths, and the Hon. Solicitors, Messrs. Sutton, Ommanney & Oliver, for the valuable assistance given in the interests of the Hospital.

The Committee trust that all those interested in the work of the Hospital will assist as far as possible, both financially and in making known the needs of the Hospital.

*(Signed)* H. SCOTT-DENNINGTON,

*Chairman.*

# REPORT OF THE MEDICAL COMMITTEE.

*For the Year ended 31st December, 1928.*

THE Medical Committee are pleased to record, in presenting their Report for the past year, satisfactory progress in the work of the Hospital.

Mr. P. Maynard Heath, after many years of valuable work, has been obliged to resign, owing to ill-health. We have lost a good and able colleague, and desire to express our regret at the cause, and hope for his restoration to health by residence in the country.

Valuable assistance has been rendered by Mr. Eric Crook during the absence of Mr. Heath.

The Resident House Surgeons, Miss Ravell and Miss Linford, have ably carried out their duties.

The Matron and her Staff have given very loyal support, and we much appreciate the care and attention given to the Patients.

The Committee welcome the additions and improvements to the Hospital.

The following is a table of the diseases for which Patients have been treated :—
